Brockenhurst Village Christmas Fun Evening

There will be great excitement in Brookley Road, Brockenhurst when, at 6pm the Christmas lights will be switched on and Father Christmas will be rescued from the roof of the Tesco's property by the Brockenhurst Fire Service.

The annual festive gathering, organised by Brockenhurst Parish Event Committee, is a wonderful evening and has something for everyone.

Once Father Christmas is rescued, he will be in his Grotto at the Commoners Bar & Kitchen to meet the local children. Parents will have the option to sample a great selection of food and drink whilst waiting, and who knows it may even start snowing! The Grotto and helpers will kindly be provided by New Forest Rotary.

Speedy Seeds

Speedy Seeds is a father & son partnership, Dave and Oly that love sowing seeds and growing things! We are based in the heart of the New Forest in central southern England.

It runs in the family right back to Oly's great-granddad for whom the hobby helped him get over his experiences in the Great War.

see the first seedling poking through from a new plant that we have never grown before or been successful at.

At Speedy Seeds we are delighted to announce that we have joined the New Forest Partnership. Please browse through our extensive collection of seeds, shrubs, spores and much more on our website.
