mps CAR SERVICE CENTRE

DO YOU DRIVE:
Audi Volkswagen
Seat Skoda

We offer dealer-level servicing and diagnostics - MOT - testing - repairs.

We also specialise in cambelt replacements, DSG gearbox oil changes, 4WD Haldex coupling oil changes, adblue top-ups, 4 wheel alignment and ADAS calibration and repairs.

Upon completion of service we can update manufacturers online digital service records.

Why not pop in so we can introduce ourselves while we carry out a free winter level, battery, antifreeze and tyre check.

We are a family-owned independent Bosch Car Service Centre, serving New Milton, Highcliffe, Lymington and surrounding areas for 36 years. Combining old-fashioned customer service with today's modern complex car technology, by Bosch trained technicians.

Courtesy transport to and from work/home available.
